

KALUP LINZY

Dear You

You look, You judge
Our so called beauty
Our so called ugliness
You embrace us
You superficially love us
You reject us
You critique us
Sometimes we suck
Fuck!!!!
Sometimes we are great
Don't hate!

You genuinely love pieces of us
We don't mind if you collect us.
As you spread the word here and
forever after.
We truly believe it's based on the content
of our character.

Sincerely,
Kalup (the creator), Katonya, Taiwan, Labisha (the diva), Tyrone, Jada,
